WELCOME!

We're glad you have joined us for our weekly worship gathering. Our prayer is that during this time, you would see the beauty, grandeur, and glory of God as we worship him together in song, prayer, and the preaching of His word.

We exist to see people saved, lives changed and Jesus glorified. Our desire is that you know Jesus Christ, be born again and rest in the gospel.

Connect With Us!

We'd ask everyone to fill out a Connect Card located in the seat in front of you. Please place this card in the offering plate, as it passes by.

If you're interested in visiting with one of our members or pastors, please indicate that on your Connect Card. We'd love to buy you a cup of coffee, or simply make a phone call, to tell you more about us or answer any questions you may have. We won't surprise visit or spam you!

We value membership at West Haven. The idea of experiencing salvation without belonging to a local church is foreign to the New Testament. If you would like to explore membership, please give us your best contact information on the back of the Connect Card. One of our pastors will be in touch with you!

Breeze

In the next few months we will be transitioning to a new church management database called Breeze. We will keep you updated, in the meantime you may be asked to update your contact information or individual photo. If you have any questions contact the church office. Thanks.

A Weekly Note From

Pastor Mike Bronson

Welcome to West Haven this morning! Today we start our "Who's Your One" series. Find one local person you can pray for, preach Christ to, and bring to church with you on Sept. 8. We will have an outdoor, evangelistic service that morning. Afterwards will be a BBQ lunch and then our annual Community Carnival. Sunday School will be canceled that morning but please come early to set up. It will be a long but fruitful day of ministry. I greatly appreciate your efforts at making this a reality. We have become known for our Community Carnival and it's a great day when our mission field comes to see us.

Wednesday night was a victory to celebrate. The building was full of adults, students, and children. Adult Bible Study was full. Encourage your students to be part of Student Ministry, It's going to be a very fruitful year on Wednesday nights.

This week is our Sunday School promotion day for children and students. We also mix up the slate of Adult Bible Fellowship classes. Please see your bulletin insert for more details. I'll be co-teaching a class along with Robert Perez and Dave Compton. We'll start with the subject of marriage. It will be discussion oriented class. If you are not attending a class, next Sunday would be a good day to start.

The Lord Jesus loves you. You have worth and meaning and purpose because you were created by God Himself. In our present cultural crisis, some are facing a fading faith. Fight it. Remember that the noxious weeds of doubt grow fast and strong in the soil of isolation. God designed us to have regular interaction with other believers centered around the Word of God. You will find it difficult to sustain and grow your faith by only attending a worship service. I encourage you to be involved in an Adult Bible Fellowship class. Put your students and children in a Sunday School class. You'll be glad you did.
