

A Weekly Note From
Pastor Mike Bronson

Good morning West Haven! It's great to see you and be with you in the presence of our Lord. If you are a guest, thank you for coming. We'd love to know you're here so if you would text your name and address to 913 369 4450, we would like to send you a "thank you" note. Also if you would like to explore church membership here, please text your contact information to that number as well. We will get in touch with you as soon as possible.

Here are some upcoming items to keep in mind:

- 1. Next Sunday, we will have prayer cards available.** These are cards to take to your neighbors, friends, coworkers, etc. If they return them, we will pray for them. There are many suffering and fearful people today. We can extend the love of Christ to them and by His grace, reach some for Christ in the process.
- 2. We have three baptisms scheduled for Nov. 1.** If you've never been baptized or have questions about baptism, please talk to Pastor Nathan or me.
- 3. On the morning of Nov. 15, Chris Cakes is coming for breakfast.** This will be a great time. We will have the details finalized by next week.

Pastor Nathan has been with us in a vocational capacity for a little over two months. He's doing a great job. Encourage him today. I've heard good things out of student ministry this year, which is always encouraging.

As you know, we are one of four churches helping in the replant of Linwood Baptist Church. They requested that we help them start with \$1,000 a month for one year. Our Stewardship Team sent them \$6,000 this week from a combination of West Haven Mission funds and budget funds. We encourage you to give to support the other \$6,000 over the next 12 months. You can do that by writing a check to West Haven and writing the word "Linwood" on the signature line. We do not have the capability to accept digital giving for Linwood at this time. This is an exciting opportunity to help get an evangelical church in a little town that is growing and will likely continue to grow in the next ten years. I am excited we can be part of it!
